Intermediate Transcript: This is a mark statement that is issued to the learner during his/her studies or on completion of the course. The word INTERMEDIATE refers to the fact that the results have been forwarded to the MICT SETA (Education and Training Quality Assurance Body for the ICTsector) for FINAL VERIFICATION of the Unit Standards Assessments / Results. On completion of the verification process the Unit Standards achieved will be logged onto the National Database by the MICT SETA representative. Once proof of verification (competence) has been received from the relevant ETQA a final VERIFIED Transcript and Certification will be issued.
